

## GIVE/GET

Parents of children in grades K – 8 are required to contribute or bring in \$750 of Give/Get per family. This requirement can be met by cash given or solicited, or by volunteering your time for certain activities. Parents have until June 30<sup>th</sup> to fulfill the requirement for the previous school year.

**Give/Get is NOT transferable from one family to another nor is it transferable from one year to the next. This means that one family may NOT give another family credit for money or time that they have given to the school. Each family must earn their own Give/Get.**

Chairmen of each committee are responsible for coordinating their event. Assistant volunteers are assigned tasks by the chairmen and earn Give/Get credit at a rate of \$10/hour, with the exception of lice checking which earns \$20/hour. In order to attend the banquet, parents must fulfill their Give/Get requirement. If they reach \$900 in Give/Get credit, with at least \$150 in cash donations (i.e. Birthday Book Club, Arie Crown Corner, Ad Book submissions), they may attend free of charge. Parents may bring two guests to the Banquet for each additional \$200 of Give/Get credit they earn, with a maximum of three couples. Parents of the school must earn their own credit for Banquet attendance and not be brought as guests of other parents.

For further details and suggestions for raising funds, please see the Arie Crown Handbook.
