Parents/Visitors to school

For the safety of all of our children, we request that all parents and visitors enter the school through the Main Street entrance. **You are required to sign in and receive a visitor's pass.** This is to protect your children from strangers. It is not possible for our teachers to know every parent and unauthorized visitors will be easily spotted because they will not be wearing a pass. Even if you are here to do a job (i.e. drink mom, library, etc.) please get a visitor's pass. The safety of our children is worth the little bit of inconvenience.

Attention Parents: If you ordered Hot Lunch tickets at Health and Records Day, your tickets are now available in the school office. If you can't stop in to pick them up, please contact Cheryl Karp at (773) 743-9220 to make alternative arrangements. The Writing Handbook will not be distributed until after Sukkos vacation.

Please do not call the bus company.

Homework Club a.k.a. "After School Study Hall"

The Homework Club is back in session under the supervision of Ms. Nicole Serpico (room 310) on Mondays and Wednesdays and Mrs. Judy Whisler (room 201) on Tuesdays and Thursdays.

Participating students report to room 310 or 201 at 4 PM with their assignment books and homework materials. Students are to be picked up at 5 PM in front of the school. Parents should contact Ms. Serpico and/or Mrs. Whisler at school to confirm their child's participation. The cost is \$5 per session for a pay-as-you-go option. A pack of twenty sessions may be purchased for \$80. For each additional child in the family, a 20 session pack may be purchased for \$70. This is not a private tutoring session: however, the teachers will assist students in organizing their materials and getting started on their homework assignments. When students forget materials, they are just a brief walk away from retrieving the needed items.

Students often feel more motivated to complete their assignments at school so that they can have "free time" when they go home. This relieves the parents from the need to nag their children about their assignments as well. For those who don't complete all of their work in the time allotted, they can go home focused on putting the finishing touches on what's left.

Parents should feel free to contact Ms. Serpico or Mrs. Whisler with any questions or concerns they have regarding this program. School phone number 847-982-9191.

Our "**special bunch**" of young ladies enjoyed telling us what was special about them. They did self portraits which are full of sparkles and stuff. Have a look! They are hanging happily outside of our room. Mrs. Kotler K 108

News in Israel: Dear Parents and Students: Don't forget to look at the bulletin board right outside the library which is filled with news from Israel and is constantly changing. If you spent time in Israel this summer and would like to have your picture posted on the bulletin board, please give it to Morah Matanky in Room 314. Please write your name and room number on the back.

Bottle cap Collection: Start saving your bottle caps! Once again, I will be collecting bottle caps (approximately the size of a pop cap or a milk cap) for a future project. I am especially looking for brown caps. There will be prizes for those who collect the most caps. Please give them to Morah Matanky in Room 314, labeled with your name and room number.

Thank you, Morah Matanky

Wanted: Library Aides- Looking for Give/Get opportunity? The library could still use a few volunteers, especially mornings. Please call Esther Weiner at 773-764-6692.

Box Tops is an easy way to raise money for the school. Help make this year the most successful yet! Put your name on the back of each box top and automatically be entered in a raffle. Stay tuned for the first raffle date. P.S. please make sure the box tops are not expired.

Boys' Student Council Happenings

I'm really elated with the incoming Student Council members committed to creating new and implementing previously successful projects. They are working hard to make a difference. Keep it up, boys.

Rabbi Pomerantz

Below are some planned activities:

* As you walk through the halls, you will notice the council's striking new logo and theme proclaiming, "We make a difference". They sure are.

* Our 1st activity, "Know Your Yom Tov Facts" games will be played on Tuesday, September 15th. The sample questions can be viewed throughout the boys' hallways.

* The No TV Commitment of 09-10 will be the best yet. The guaranteed prize for all participants will be a bowling trip during school time, after Succos. Grades 2, 3, and 4 will have a special raffle with a special guaranteed prize. I'm confident we can have at least a 90% participation rate. The Commitment begins next Wednesday, September 16th and runs through Wednesday, September 30th.

* Chol Hamoed Minyan at KINS – davening begins at 8:30 followed by a great raffle. Our Succos trip is tentatively planned for Wednesday, October 7th. Stay tuned.

* MAP Update: MAP is off and running with the first Middah highlighted, "Being Mesudar / Orderly". The Rabbeim and teachers will be on the lookout for those students who are on time with all their supplies, have orderly desks and lockers, etc. New for 09-10 are bi-monthly acknowledgements of those receiving MAP coupons.

* Available Sponsorships for Year 09-10:

- Elul-Tishrei No TV Commitment
- Sefiras Ha'Omer No TV Commitment
- Rosh Chodesh Breakfast/Treats
- MAP awards/raffles
- Chol Hamoed Succos minyan prizes

What a great start to the year in Rabbi Cohen's 8th grade! The bochurim are really getting into the Gemorah reviewing every night. Some of the bochurim can say the whole mishna by heart. We have already finished the perek of Bava Kama in Mishnayos and know a tremendous amount of Yedios in Nezikim. Rosh Hashanah is on our minds this week and you should hear some of the Tekiyos the boys tried to blow! Have a good Shabbos!

Rebbe

News Update from Mrs. Dubovick's 4th grade: We are off to a great start in Kitah Daled. We've been introduced to many of our subjects through songs and learning! Everyone's adjusting nicely and keeping so organized! We're enjoying learning about Elul and Rosh Hashanah. We are also going to take a peek into our machzor to become familiar with our tefillos for Yom Tov. We began coloring beautiful honey dishes for Rosh Hashanah. Our Chumash learning has taken off - we're learning Parshas Shemos, and are already experts at dividing and translating Chumash words! We're applying our 3rd grade knowledge towards our 4th grade learning. We had fun singing our Birkas Yaakov from last year. We can't wait to see what else is in store for us! K'siva V'chasima Tova! Have a great Shabbos!

To my wonderful 4th Grade Girls: I am so proud of the strong start that you have had to Kitah Daled! Between learning Chumash, Parshat Hashavua, Ivrit and preparing for the upcoming chagim – you have already accomplished so much! I want to make special mention of our new Yediot Klalot book, *Chayeinu*, that Rabbi Robinson found for us. The workbook is educational, lively and important for you to learn as young Bnos Yisroel! Wishing you all a Shabbat Shalom and Shana Tova!

Mrs. Litwack

Last week, Mrs. Whisler and Rabbi Levinson's 4B class was super dooper. Our class had fun playing bingo. Our teachers are so nice. In Hebrew we learned 2 rashis and started Shemos. This week, Mrs. Whisler's 4th grade boys' class was very exciting. We got our spelling, grammar, and math work - and textbooks. We read our first story in our reading books. In Rabbi Levinson's room, we started learning Mishnayos Sukkah. We apologize for not submitting our article last week, but we had computer issues. Wishing everyone a good Shabbos!

By Moshe Berk, Josh Kleinerman, Judah Ripstein, Chaim Starr, and the boys in Mrs. Whisler's 4B

Last Friday Mrs. Ozmina's 1st grade girls went on a nature walk. We walked around the block with Mrs. Ozmina and Miss Banoff. We saw a butterfly, flowers, a bee's nest, birds, squirrels and apples. We heard cicadas, but we couldn't hear crickets. The cicadas were too loud! When we came back inside school we made butterflies!
